BFE Forged Valves

Global quality, unlimited service

Highest quality and maximum attention to service: it is through this that BFE has established itself as market leader in valve manufacture.

BFE's present range of manufacture offers the following valve types: Gate, Globe, Check, Cryogenic, Integrally Flanged, Bellows Sealed, Extended Body, Bar stock, Combination Double Block and Bleed, API 6A, API 6D and Pressure Seal Valves.

Thanks to its great flexibility, BFE is also able to design and manufacture "tailor made" valves to suit specific client/project requirements.
